_____ Our family will comply with the rules and regulations contained in the Family & Student handbook for the 2011-12 school year. The handbook is available on the CTK website (www.ctkomaha.org). Christ the King School follows the directives of the Omaha Archdiocese Board of Education, the Nebraska State Department of Education, AdvancED Accreditation, and the policies set forth in this Handbook and the policy book of the Omaha Archdiocese Board of Education.

This Handbook is provided for informational purposes only and does not constitute a contractual agreement between Christ the King School and any student, or any parent of any student. The information in the Handbook provides a general description of rules and regulations at Christ the King School. The school reserves the right to add to, modify, or abolish any provision of the Handbook without notice. Non-enforcement of any rule or regulation does not serve as a waiver of its future enforcement. This Handbook does not create any restriction upon Christ the King School's right to institute any course of disciplinary action, which, in the school's discretion, it believes necessary and consistent with its Catholic educational mission.

_____ I will allow our home address, telephone number and e-mail address to be published in the CTK Family Directory for the 2011-12 school year. I understand that it will not be distributed to those persons other than the immediate school families and teachers/faculty/staff of Christ the King Parish and School.

I understand that neither I nor my child(ren) will receive any compensation for these appearances, and that we will not receive any compensation for any kind as a result of any recordings, re-broadcasts, or other broadcast or non-broadcast uses of the Production. My child(ren)'s work in the production shall be a work made for hire for Producer under the copyright laws of the United States; to the extent that my child(ren)'s work cannot be considered a work made for hire, I assign all right and title, including all copyright rights in the Production and its derivative works, to Producer. The Producer shall have complete ownership of the Production, including full such use of the Production as it wishes, including (but not limited to) the right of performance, display, reproduction, and distribution in all media, and the right to create, perform, display, and distribute derivative works of the Production.
