## Enrollment

Contact **Laura Rau** at [raul@ctkomaha.org](mailto:raul@ctkomaha.org) or (402) 391-3606, ext 210

with (1) child's name, (2) school & grade, (3) desired rehearsal days & time,  
(4) parent's name, (5) email address, and (6) daytime phone number.

The children's choir is limited to 18 singers due to space limitations in the choir loft. Priority will be given to returning singers and then to new singers who can make a semester-long commitment. A waiting list will be kept if interest exceeds space.

The Choir will have an enrollment period before both the fall and spring semesters. This gives parents and singers an opportunity to consider their semester schedules before committing to the choir.
